

Why not visit Hampstead Heath?

Map and card game

Preparation

- Download a map of Hampstead Heath (<https://www.cityoflondon.gov.uk/things-to-do/green-spaces/hampstead-heath/Documents/hampstead-heath-map.pdf>).
- Enlarge to A3, print and laminate one map for each group of learners.
- Download, print, laminate and cut up *Map and card game* question cards. There are blank cards for you or learners to add your own questions.

Tip: If you print each set of cards on different coloured paper, this will make it easier for you to check that all the cards are returned to each set before you re-use.

Instructions

1. Divide learners into small groups. Give each group a map and set of cards.
2. In their groups, one learner begins by picking up a card and asking the learner on their right the question on the card. The person answering the question must use the map to find the answer. The answers are on the cards.
3. If the person answers the question correctly they keep the card. If they do not answer correctly, they place the card back at the bottom of the pile.
4. The learner who answered the question then picks up another card and asks the question to the learner on their right. And so on.
5. The winner is the learner with the most cards at the end.
